PRINCIPAL KWAN'S SHARING

Principal Kwan will retire in the coming school year. Our student journalists had a chance to interview her and let's find out more about her experience in teaching.

Why would you choose to work in the education field?

'I studied Psychology as my major and Mathematics as my minor. After graduated from university, I was not sure about what I was going to do since the psychology field wasn't as mature and diverse as it is nowadays. There were only limited job offers in Hong Kong.

As a Christian, I have served God in the church for quite a while. For example, I served as a leader in belief group, and taught in Sunday school lessons. Therefore, I was used to public speaking. So, I chose to teach Mathematics, which was my minor subject.

Although Mathematics was my minor subject, I fell in love with it when I became a Mathematics teacher. Until now, I have never changed my job.'

What are some things you are proud of about your career?

'I am very confident that every student who was taught by me will think that I'm a teacher who cares about them very much, not only their academic results but also their development in life. Although I was pretty strict to my students I used to teach, our relationship has been very good. Even now, we still keep in touch. I also believe that my colleagues will think that I'm a loyal, serious and responsible person. These are all the things that I am proud of.'

What has been the most memorable experience of your career as a teacher?

'There was an outbreak of SARS in 2003, during which time Hong Kong people were in tremendous distress, and a record of high death toll hit the headline every day. In order to prevent the transmission of disease in the Hong Kong Certificate of Education Examination setting, the Education Bureau encouraged students to stay at home if flu symptoms were observed by guaranteeing fair treatment of grade. At that time, I was teaching Additional Mathematics. On the day of the public examination, one of my students called me. She told me that she would want to sit in the exam in spite of her sickness. I immediately stopped her and reasoned with her that health was the most important among all. Later, I received a request from the Education Bureau to submit the relevant academic records of that student and the

class she studied in. I carefully followed the instructions and submitted all the documents. By comparing the student's Form 4 and Form 5 academic performance with her counterparts, she was granted an A in the Additional Mathematics subject. The lesson to be learnt here is that exam is essential but everyday commitment to academic performance is also critical.'

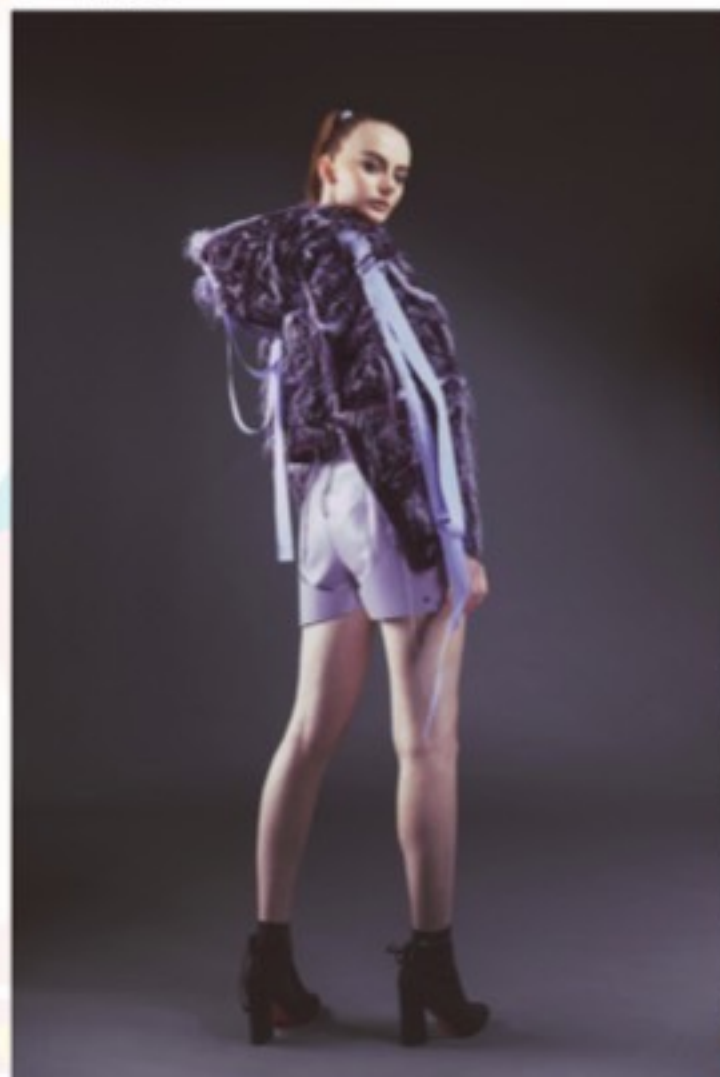

Can you share some words of wisdom with students at TTCA?

'I noticed that students and colleagues at TTCA aim to be bright and talented. In the process of achieving their personal goals, we can find some guidance from the Bible. From the book of Job chapter 28 verse 28: "The fear of the Lord -- that is wisdom, and to shun evil is understanding." To fear God means that we should avoid doing something bad so as to please God. Since God finds dishonesty distasteful, people should refrain from immorality. We should steer clear of misconduct.'

到了大學，我主修時裝設計，最讓我享受和迷戀的，是那個從零開始，自己去做資料搜集和設計，到購買物料製衣的過程。我從每個作品中去尋找自己最獨特的風格，亦將那風格變得更多元化，這樣才會令欣賞作品的人有更深的體會與共鳴。自問我在設計過程中比別人花更多時間心機去完成，曾經有過灰心難過。但最後，反而學會了不要怕觸底和失敗。或許會比別人需要更多時間去達到某目標，但過程中所經歷過的都很獨一無二的，亦一定對日後有用。回望過往一切的得與失，那些都是令我成長和更加了解自己的關鍵。

Working hard never guarantees success, but hard work counts

Mr. Yip Wing Hei

I shared about my experience in seeking my dream job after my university graduation quite a long time ago during morning devotion one day. I hoped that I could become a police inspector, thus I made a list of things to do in order to achieve that goal.

First, I underwent the LASIK surgery to correct my short-sightedness. Then, I spent a lot of time on improving my poor English with much hard work. For example, I read newspapers and watched news report on TV in both English and Chinese every day, and I even acted like a moron by talking to myself in the mirror so that I felt less anxious in public speaking. To maintain a healthy body, I also had regular endurance training several times a week.

With so much effort I had made, I thought I would succeed for sure. However, I was rejected four times from joining the police force. You may say, "Poor Mr. Yip! After making so much effort, you still could not get your dream job. Were you disappointed?" My answer is absolutely not!

Firstly, hard work never guarantees success, but without hard work, I can say that one will fail for sure. To me, it is meaningless to judge the effort by the outcome. Secondly, how much effort you are willing to pay shows how much

you care. At that time, I desired to be a police inspector, and therefore I was willing to do all the things mentioned above for my dream. Last but not least, obstacles help us grow. I thank God for giving me the setbacks. If I had not got the desire to join the police force, I would not have found the opportunities to face my weaknesses. If I had not overcome my weaknesses, I would not have started teaching, and I would not have had this opportunity to share my story with all of you. I am still feel very grateful for the chance of joining TTCA as a teacher now.

To conclude, I would like to quote a sentence from an inspiring book entitled "The Last Lecture" written by Dr. Randy Pausch. Dr. Pausch got an incurable cancer and the doctor said he would only have a few more months to live. He gave his last lecture about how he achieved his childhood dreams before his last day. My favourite quote is about his perspective on the obstacles he faced and the brick walls standing between his dream and reality, "the brick walls are not there to keep us out, the brick walls are there to show how badly we want something." My dear students, how badly do you want to achieve your dream?

PASSION FOR SINGING

Ms. Chong King Lin

Singing has always been one of my greatest passions and it is truly a wonderful gift from God. It is without a doubt that I have an inborn talent for it and since young I would love playing with my vocal cords. I would sing different melodies and try different voices and types of sounds. I was also always surrounded by music as my mom worked at a music company and my dad would often play music at home. Therefore, I was exposed to various types of songs even before I was born.

However, I never thought much about my singing talent until secondary school when I joined the school choir and the inter-school music competition as a soloist. I was recognized and praised for my singing after winning the Champion for 5 consecutive years in my school's inter-school music competition. My music teacher then told me to join the Vocal Solo - Singing in English / Foreign Language, Mezzo-soprano or Contralto (age 18 & under) at the Annual Hong Kong Schools Music & Speech Festival and it was during this time that I fell in love with singing classical music. It was difficult but I enjoyed it very much and with my innate talent I managed to achieve the 2nd Place at the Music Festival.

Years later, I would use my singing talent, which God bestowed upon me, to glorify Him at church. I would occasionally lead worship at Homegroup as well as sing with my church choir. I strongly believe that this is the reason for my singing talent – to simply praise and worship God. Nothing gives me more joy than to sing praises to Him.

God has kept teaching and polishing my singing skills through good vocal teachers. I was very fortunate to learn classical singing from a good vocal teacher whom I met through church a few years ago and so I started having regular vocal training from him. Such an opportunity helped me to push my vocal range and polish my singing techniques even more.

It is my aspiration to continue singing at church and God willing, to find a good vocal teacher whom I can continue learning from.

對於現在生活的每一刻，我也很感恩，因為我的生命「得來不易」，可謂從死亡的邊緣中逃脫出來。

從確診患上癌症至今，我並不是獨行的。一路上有不同的人扶持，當中包括我的父母、朋友和上帝。上帝在這段路程一直都背着我走，更派出不同的天使伴在我身旁；父母要徹夜留在醫院，不眠不休地照顧我。我失去了原本的生活節奏，朋友都紛紛過來關心我，噓寒問暖。他們的每一句說話在別人眼中或看似微不足道，但在我心中卻是一團火，一團燃起我心中光明的火。我感謝他們每一位，在我生命中出現，從失去希望的世界之中拯救了我。

有時候，我們的生命中難免會遇到各樣的難關，這些路或許很艱辛，但切勿忘記在你身邊一直支持你的每一位朋友和上帝。這些所謂的難關其實只是上帝給與的歷練，一切也只是讓我們成長，主早有安排，所以不用害怕。因主常在，我們更要懂得如何去感恩。

一切是從零開始。小學時期的他，從來沒有對任何樂器感興趣、對樂理一竅不通、從不懂看樂譜，只能勉強地應付音樂課的牧童笛考試……今天的他能輕鬆地吹奏一首樂曲，學懂了很多木笛的吹奏技巧，考畢「英國皇家」五級木笛樂理試，有幸代表學校出賽，且今年能在校際音樂節奪獎，究竟是甚麼令他有如此的蛻變呢？

多年來，我也有抽空到場支持我兒的每一場木笛比賽，尤以今年第一次參加的「四人木笛合奏」及「木笛合奏隊賽」令我印象最深刻。個人認為相比起獨奏表演，團隊的表演最難掌控，當中團隊的合作精神至為重要。

我們基崇的木笛隊今次雖然面對着很多強勁的對手，又是第一支上台表演的隊伍，但見每一個成員在台下士氣高昂，在台上自信滿滿地演奏出悠揚的笛聲，實在令我既感動又驚歎。感恩我兒被揀選為基崇木笛隊成員之一，在過去四年木笛隊的訓練中看着他的成長，令我最感欣慰。

感謝木笛隊老師們孜孜不倦的教導，每星期兩天，每天兩小時的木笛訓練，遇上校內表演或參賽的日子將至，就連星期六或公眾假期也會回校不斷地練習……

我想：木笛隊的成員和老師們的相遇大概是「千里馬」遇上了「伯樂」吧。當中有著一份執著、堅持及團隊合作的凝聚力。伯樂像是要告訴千里馬一些人生哲理，如：「欲窮千里目，更上一層樓」、「玉不琢，不成器」、「台上一分鐘，台下十年功」，也許還有很多不可言論的身教在其中。

毫無疑問，今天基崇的木笛隊已經把上面所述的人生哲理轉化成行動了，並且因為有「伯樂」- 李綺妮老師及導師們帶領下，將會繼續努力不懈地傳承下去，創造出更多的佳績。

我在孤獨中找到快樂

5B馮柏喬

你·快樂嗎？你的快樂又從何而來呢？人往往能從各種事中得到快樂·朋友、家人、幸運、成功或戀情中得到快樂·而我卻在孤獨中得到快樂·在我眼中·孤獨未必使我難受·反而得到快樂·

在一般人的眼中·孤獨是一個負面的字·不想感受孤獨·抱怨孤獨使他們空虛·難受·對孤獨十分抗拒·但他們從來沒有嘗試享受孤獨帶來的平靜·為什麼我的快樂源自孤獨？因為孤獨為我帶來冷靜的時間和空間·從小到大·我都十分喜歡思考·可是太多旁人會使我很容易受到影響·因別人的話去改變自己的思考模式·影響判斷·

當家中只有我一個人時·我喜歡躺在沙發上聽著音樂·細心思考著人生中不同的問題·亦從音樂中找到共鳴·每當我想通了一個問題時·我得到的喜悅就如中獎般高興·就算想不通·都總會有新的問題·使我繼續思考下去·

你嘗試過自己一個到戲院看戲嗎·還是你喜歡三五成群到坐在一起看·看完後到咖啡室討論戲中的內容呢？在朋友眼中·自己到戲院看戲是苦悶而無味的·我卻認為·這比與三五知己看戲更能細心品嚐戲中的味道·分析當中的深層意思·所隱藏的情節·和朋友一起看不是不好·而是另一種味道·只不過我比較喜歡的是孤獨的味道罷了·

一個星期前·我獨自走到大帽山行山·當時大約是清晨的八時·我下車之後·就從彩龍茶樓開始走上山·行山人士不多·只有幾個精神奕奕的長輩·由於我正值年輕力壯·我很快地走到空無一人的地方了·我停了音樂·收起耳機·隻身走上山上去·我開始聆聽到大自然的聲音·早起等待吃蟲的鳥兒·清泉流動的水聲·微風吹動樹葉的沙沙聲·自己的腳步聲·甚至風在我耳邊流動的聲音·這都是孤獨帶來的聲音·使人愉快的大自然交響樂·這使我的思考提升到更一個層次·思考的不再局限於自己的人生·而是整個世界的運作·大自然的大千世界·一切都使我更為鼓舞·心中的快樂使我走得輕快·很快地走到山上·獨自俯瞰山下的景色·心想著如果身旁有人的話·我可能就注意不到身旁的美景吧·經過這次旅程后·我發覺有一種平靜帶來的喜悅·是從孤獨中才能得到的·

就孤獨本身而言·「孤獨」可以是一種境界·這種孤獨是能把世界看得更清晰·比別人的心胸更廣闊·就如陶淵明的「採菊東籬下·悠然見南山」·他就以清心寡慾·享受自然的心態應對孤獨·對他來說這是一種享受·亦是一種境界·

我從孤獨中得到的快樂·可能在你們眼中並不是快樂·但在我的眼中就最為快樂不過·

屬於自己的一個背影 28周子涵

本文榮獲本屆中國中學生作文大賽(文學之星)初中組銅獎

背影·相信大家對於這個詞語十分之有感觸·我想·其實每個人都有屬於自己的一個背影·那一個背影·代表著一份愛·每一份愛後面都有一個故事·當我再次看見那個背影·眼眶中不知不覺地滑下了一滴又一滴的眼淚·

沒有言語·沒有表情·沒有聲音·只有最真實·最簡單的動作·卻能打動人·有一位父親·在他兒子外出讀書要登上火車時·親自幫他挑選座位·還拜托茶房多多照應·又爬上爬下地去買橘子·在人們的眼中留下一位忙忙碌碌的身影·正是他·深深地感動了既將遠行的兒子·還包括了所有讀者·

那時候·正是他們一家人最困難的時候·祖母去世·父親失業·家裏滿是頹唐之氣·俗話說：「男兒流血不流淚·」可他堂堂男子卻簌簌流下了眼淚·惟有父親堅強而有力的聲音在他耳邊響起·「天無絕人之路·」父親是孩子心中的偶像·這句話的確不錯·即使是天崩地陷·還有他寬大的肩膀撐起這一方天地·

「他用兩手攀著上面·兩腳再向上縮；他肥胖的身子向左微傾·顯出努力的樣子·」當兒子看到父親這樣疲憊的背影時·才突然發現堅硬外表下那顆溫柔的心·當孩子大了·懂事了·但父親卻老了.....

「老」是人類最致命的敵人·這世間萬物·誰又能抵得過老的侵襲·光陰似箭·日月如梭·而人啊·也在歲月中悄然老去·只是·有的人留給了世人一個偉岸的背影·人的生命隨著時光而慢慢流逝·父親以前那龐大的身影變得越來越少·越來越少·而我們也在父親的撫愛中慢慢長大.....

回首往事·記憶在歲月裏沉澱·父親的肩膀便是我兒時最依賴的天堂·小的時候·風雨交加·雷電作響·我怕得不像話·是父親·給我睜開眼睛的勇氣·是父親教會我「只要堅強下去·再甚麼大的難關也會跨得過去·」從此以後·我便學會勇敢·學會堅強·學會在茫茫人海中找尋父親那般的背影·寬厚·溫暖·踏實.....

我無法用言語來表達到父親的愛·在讀朱自清先生的〈背影〉時·我恍若看到天下所有父親的背影·那麼讓人想依靠·那麼讓人捨不得·年少輕狂·血氣方剛·怎會靜下心來體會為人父母的不易並和他們分擔？當歷盡滄桑·身心疲憊·驀然回首·才覺覺身後正有一個身影·默默地注視著自己·總是在這個時候·那一次出現在眼前的背影·是那麼深沉有力！

我望著那份屬於自己的「背影」·猶如面對一道道愛的山崗·那永恒不變的山崗·

MOVIE REVIEW

RUSH: a thrilling but unreal drive

4B Liu Tsz Chun, Adrian

If you want speed, love, friendship and thrillers in one single show, then this is for you. RUSH, is definitely one of the greatest motorsport movies of all time. Never short of marvelous ideas, screenwriter Peter Morgan has decided that the setting of 1976 Formula One Season is something that would attract millions of movie lovers to enjoy the excitement of speed in cinemas around the globe.

Directed by Ron Howard, RUSH is a thriller featuring the tense, exciting rivalry between James Hunt and Niki Lauda, performed by talented Chris Hemsworth and Daniel Bruhl respectively. Being two of the most well-known and competitive racing drivers in the world, sparkles are produced not only behind the wheel, but also outside the racing track.

James is a glamorous driver, enjoying romantic lives and being famous of having numerous girlfriends. He was once dominating the race world until another exceptionally skillful driver joined Formula One: Niki

Lauda. This is where the plot starts twisting. The races of the 1976 season are filled with chaos, including horrifying crashes, fluttery rivalry, and ultimate respect form both of them. It's not just a must-see for motorsport lover, but also a favourite for cinema-goers. Director Ron Howard has done a great job in bringing the motorsport classics back. Well Done to Peter Morgan for writing exceptionally plots spectacular. What attracted me the most is the computer graphics made by Brian Oliver. The scenes are so authentically illustrated, which will make you feel as if you were driving the car and battling with other drivers in person. The costume designer has skillfully made the two actors look like the drivers in 1976. That was Amusing. Hans Zimmer also produced realistic music effects for the film, creating a wonderful experience for audiences.

Is RUSH a perfect movie? Well, honestly, the screenwriter may have over focused on the love scenes, instead of the key races. The accuracy of historical facts is also one to doubt, with some parts being exaggerated, like James was not happy with Niki in the film, but they were friendly in the real history. Leaving these aside, the authentic effects, tense plot of twisting rivalry, and talented actors, have made this one of the most successful films of the year.

Don't waste the chance!

ALONG WITH THE GODS: The Two Worlds

4B Chiu Chun Yin

During recent years, more and more Korean films have hit the big screens around the globe. Surprisingly intense and interesting, they attract audience wherever they are shown. A few created a lot of noise in 2017 which included the Korean film 'Along With the Gods: The Two Worlds', and that is no exception.

In this film, an ordinary fireman Kim Ja-hong(Cha Tae-hyun) falls to his death during a fire rescue. Not long after, he is sent to the underworld where the three grim reapers Gang-rim(Hu Jung-woo), Haewonmak (Ju Ji-hoon) and Dukchun (Kim Hyang-gi) would help him to pass the judgements and trials of the seven sins within 49 days. If he succeeds, he may proceed onto afterlife. The journey is surely filled with twists and extremely amusing scenes. There is no doubt that the audiences are impressed by how the four of them face death and fear, ups and downs along with the other characters.

Those who have already watched this film would certainly agree that many shocking and fantastic scenes are very eye-catching not just because of the computer effects, but also the acts. Moreover, the plot is clearly told and the screenwriters have made sure that everything is presented and explained precisely. The ending is so moving that I almost cried!

Despite the excitement you may get from watching this film, there are still some scenes which are exceptionally scary and quite disturbing. One of the examples is that the execution methods for sinful judgement results are shown, some of which maybe too brutal and frightening for audiences to watch.

I'm all hyped up for this experience in the cinema. Action, adventure and fantasy typed movie lovers should definitely go and enjoy this shockingly amazing film.

If you are a shopping buff, this is a good chance for you. Tsim Sha Tsui is a touristy place that you can spend more than one day to walk around. It has shopping malls, a park, an exhibition centre, etc. Now it is my turn to introduce this place to you. Sit back and enjoy!

For indoor activities, I would recommend Harbour City for you. It's known as a shopper's paradise. It opens from 10:00 to 22:00. If you have a private car, the parking fee is \$25 HKD per hour. In Harbour City, you can find over 450 shops of luxury brands, 50 restaurants, 2 cinemas and 3 hotels. That's why I often go there in my leisure time.

Another interesting shopping mall in the district is K11. It is a very special shopping mall compared to the ordinary shopping malls because you can shop local artworks. It opens from 10:00 to 20:00 and the parking fee is \$35 HKD per hour. K11 is a place for art exhibitions and special events. Recently, there has been an exhibition called "The Universe in Me: A Christmas Voyage" held in K11, starting from 11th November, 2017 to 1st January, 2018. It shows traditional

mortise-and-tenon craftsmanship and also features 3-dimension paper installation and a series of wall art. K11 provides its visitors with a cozy environment. That's where I get some inspiration and apply it in my daily life.

After shopping around, let's take a short break together. If you are a sporty person, you can stroll casually down the street to Kowloon Park. It is a relaxing place with lots of green plants so you can refresh yourself. There are abundant sport activities you can do in the park, where you can immerse yourself in various activities and forget about the busy world.

Last but not least, you can travel to Hong Kong Island by The Star Ferry. Although it is not common nowadays, it can let passengers enjoy the great view of the stunning Victoria Harbor.

Be sure to check it out and go there with your friends! Have a nice day and a memorable shopping experience in Tsim Sha Tsui.

家具SIR

各位好！我是長沙灣分堂的傳道人，大家可稱呼我家具sir。

我最喜歡是一大班人熱熱鬧鬧。不管返教會還是打機，我總是喜歡一大班人。

傳道書四9-10：「兩個人總比一個人好，他們勞碌同得美好的報償。若是跌倒，這人可以扶起他的同伴；倘若孤身跌倒，沒有別人扶起他來，這人就冇了。」

返教會令我學習到與人相處。中學時代的我總是一大班朋友，然而朋友雖多，卻是「相識滿天下，知己無一人」。可能是男孩子總是愛爭強好勝，或是畢業後同學各奔前程，人生好像漸漸只有自己一個人獨自前行。

然而當時有朋友帶領我返教會。起初我只是想敷衍應付一下返教會，不過當和教會的弟兄姊妹熟絡，發現他們有點和我認識的朋友不一樣。他們不只會跟你談天說地，他們更會毫不保留地分享內心深處，不管是成功還是失敗的。漸漸我亦學習到分享，懂得將情感表達出來，將內心深處的難題和他們分享。更重要是他們將人生最重要的上帝帶給我認識，解決了人生許多的迷惑。

今天你的人生在尋找什麼，來教會尋找一下，可能有意想不到的發現呢！

程偉健博士
本屆家長教師會主席

我年幼十歲時患上嚴重口吃身體很孱弱，家境貧困，一家六口同住黃大仙區一個只有六十平方呎的徙置區單位，後來搬至牛頭角下邨。

我運動天份不高，身材矮小，現在身高也只得一百六十厘米，加上讀書成績平平，自信心不高。在學校裡，老師也坦言我在學術上天資不高。在觀塘瑪利諾中學預科讀了一年便因成績未達標而被校方勒令退學，只好轉到文理夜校學習。從此發奮讀書，但用功過度，兩年夜校生涯竟熬出嚴重的十二指腸潰瘍，相信是壓力過大、飲食習慣不良所致。

雖努力讀書，但仍考不上大學，翌年再報考，竭盡全力，豈料家中失火，家園盡毀，連會考證書也被燒掉。面對種種挫折，我並沒有退縮，繼續努力讀書，終能在葛量洪教育學院畢業。其後節衣縮食，前往英國利物浦徹斯特學院完成學士學位。此後一直沒有停步，繼續努力，終於完成香港大學碩士學位和西澳洲伊地高雲大學英語教育博士學位，曾經任教小學、中學及青衣科技學院，現在於理工大學擔任英文講師。

謹以此短文勉勵同學，不要被本身的條件所限，也不要被困難所絆倒，以恒心、以毅力，必能邁向成功，「天行健，君子以自強不息」。

Teacher's Artworks

Ms. Tsui Ka Ki

I have loved drawing and painting since I was a child. One day when I was having an art lesson in secondary 3, my art teacher asked me to copy paintings of those Western art masters (my favourite is Vincent van Gogh) in gouache, and she told me to start doing still life paintings in watercolor instead of coloured pencils. Since then I have fallen in love with western painting, especially in watercolour. Although I don't have time to do any painting now (you'll understand if you are a working mom), I hope I will have a chance to explore painting again in more mediums such as oil, watercolour, pastel and coloured pencil in the future.

Teacher Updates

Mr. Lok

Hi, I am Mr Lok, who is teaching S1, S2, S3 and S4 ICT right now. I am a young and energetic person and passionate in teaching. It is a great pleasure to work in TTCA. I love to play different sports and share my personal experience. If you see me in the corridor, I'll be happy to chat with you!

何雋謙老師

大家好，我是通識科的何雋謙老師。法國昆蟲學家法布爾說過：「學習這件事不在乎有沒有人教，最重要的是在於自己有沒有覺悟和恒心。」在中學和大學的數年光景，老師所能教授的知識其實有限。甚至在考試壓力下要應付流水作業式的操練。這一切都消磨了我們對於學習的動力。但難道學習就只為了應付考試和社會對我們的要求？

美國總統林肯靠自學成才；武俠小說作家金庸到九十歲仍在學習。他們的堅持都是出於對知識的追求。今天你可能會覺得在學校學習很苦悶，成績比其他同學差。但只要還有夢想，就不應失去對學習的信心。終有一天會在自己所喜愛的領域開創一片天空。共勉之。

Ivan_Ho 學習這件事不在乎有沒有人教你，最重要的是在於你自己有沒有覺悟和恒心。

Mrs. Lo

I'm Ms Lo, a Biology teacher. I like travelling and reading. The books with great impact on my life are "Run with the Horses" by Eugene Peterson, "Discernment" by Henri J. M. Nouwen and "Let Your Life Speak" by Parker Palmer.

Mr. Au

Hi everyone! I am Mr. Au, who joined the TTCA family this academic year. You may see me mostly during the career and life planning-related activities. I am so impressed by the kind-hearted colleagues and energetic students in these few months.

In my spare time, I enjoy hiking and wild camping to embrace God's stunning creation, the nature. I also like to experience foreign cultures through travelling because it can broaden my horizons.

I hope that all of you would find your interests and dreams in your youth. May God help us grow mentally and spiritually.

Anthony_Au I enjoy hiking and wild camping to embrace God's stunning creation, the nature.

Ms. Chong is MARRIED ?

"Ms. Chong! When are you going to get married?"

This has been the question asked by many students over the years at TTCA and my usual response has always been, "I need a boyfriend first." However, if you asked me the same question now, I would say, "I am married!"

During the Easter holiday my family and I went to Seoul for my marriage registration and yes, my husband is Korean. We signed the papers in the presence of my family on 30 March and I am now officially Mrs. Lee. However, it does not end there. We will be having a total of 3 wedding celebrations later on in this year in Korea, Hong Kong and Malaysia respectively.

I would like to take this opportunity to thank all my students and colleagues at TTCA for all your well wishes, blessings and prayers over the years.

Mr. Ng KH's Wedding

Dear TTCiAns,

With God's love and everyone's prayers, I delightedly got married with my fiancée, Winnie Lam, on 4 February 2018. We are grateful for receiving lots of support and blessings from colleagues, parents and students. May God bless you all.
